I'm not allowed to give away any clues ;) but all I'm saying is I've been told I need to buy some burgers in February, and that we should need at least 3 times as many this time.....

Still time to put sleeping bags on the Christmas present list (not that anyone slept for long last time) :S

the immortal saying of any student:
"if it makes me money ill do it" :side:

lol, meh, ill have finished my Jan exams by then so i can stay awake as long as the money can flow :laugh:
